The Rotary Foundation Giving—Every Rotarian Every Year

EVERY
 ROTARIAN
 EVERY
 YEAR

Thank you Rotarians who have already made your gift to support our clubs \$7,000 goal for the 2017 – 2018 Rotary International Projects. These gifts fund our commitment to support the Every Rotarian Every Year contribution of \$100 per member per year. This is sent to Rotary International to help support Rotary work around the world. Many of these projects we support are reported in the Rotarian Magazine and @ Rotary .org.

Dearborn Rotary's Giving status toward our 2017-2018 EREY goal of \$7,000 is of the 58 members we have, 50% (29ea.) have given. Eighteen are sustaining Members (contributed \$100 or more in a year). The YTD giving total is \$3,740 which is 53% of our \$7,000 commitment. The following have met the Every Rotarian Every Year commitment.

CDG Jim Ives, Diane Ives, Mike Maldegen, Al Martin, Jack & Jane Mueller, John Snyder

Due to privacy rules at Rotary International, we no longer know who has contributed to the Foundation. With that said, if you have submitted money to The Rotary Foundation in excess of \$100 and would like to be recognized here, please let Merritt Robertson know of your contribution.

Today's greeter, **Kathy Gapa**, introduced our three guests – Warren Rotary Club President **Bob Selwa**, plus VIP guests **Danene Charles** (Dearborn Public Schools) and **Susan Shunkwiler** (Henry Ford College).

Jane Mueller is having a health issue and President. He said both Jane and Jack Mueller have been long-time dedicated Dearborn Rotarians, who have been absent due to health issues. Keep them in your thoughts.

Margaret Blohm ran the 50/50 raffle today. President Bob drew the winning ticket and guest Susan Shunkwiler was winner of \$16.

Jim Thorpe, Jim Ives, Colleen Nieman, Ray Trudeau, Bob Selwa, Lee Hollmannn and Eric Rader all did "Happy Buck" announcements. Happy Russell Kavalhuna is newly appointed president of Henry Ford College. He was Executive Director of Flight Operations at College of Aviation at Western Michigan University. We also heard several Rotarians were happy to be here. One is able to attend Tiger's rain-cancelled game, tomorrow. Happy for Rotary connections. Elementary school son is a quick ankle healer. Glad I did not miss my flight connection (several comrades, did). Looking for Dearborn Levagood Park stories from 1950s-1960s. Baseball bat cane is appropriate for new season.

Club Membership Director, Eric Rader, introduced our two VIP guests, Susan Shunkwiler, Dean of Health and Human Services at HFC, plus Danene Charles, Coordinator of Affective Education at Dearborn Public Schools.

Susan has been at HFC for 13 years, prior to that she was nurse, nurse practitioner and midwife over a period of 24 years at Beaumont. Henry Ford College has nine health programs and an 85% graduation rate. It is a phenomenal program, which attracts top students and staff. She is proud to be at HFC. Susan thanked Dearborn Rotary for offering nursing scholarship plus supporting a service trip to Belize for HFC health care students.

Danene has been with Dearborn Public Schools for 22 years. First assignment was as a homebound teacher serving incapacitated students. She was a special education teacher at Stout Middle School and then Asst. Principal at Salina. Danene now works at seeing student's needs are met both academically and socially. This can involve Superintendent's Student Advisory Council, Anti-Bullying Campaign, Youth Month at Rotary, etc. DPS has a 95% graduation rate and our recent Student Month guests loved visiting. Danene believes in building relationships through activities. She thanked Dearborn Rotary for our scholarship support and for being here.

Induction of two new Dearborn Rotarians, **Brian Stone and Eric Woody**, was led by **CDG Jim Ives**. Brian is currently a communications director for a congressional candidate, and Eric works in Government and Community Affairs at Beaumont Hospital. Rotary, with 1.2 million members, is involved in promoting good-will and peace in the world through 34,000 Rotary Clubs in 216 countries. Just over 100-year organization is made up of leaders in their vocations. You as a member of Rotary deliver message of making world a better place. **Jessica Haddad and Susan Dabaja** are sponsors of Brian and Eric, respectively, and "pinned" their Rotary pins. Both were encouraged to wear Rotary pin proudly and be promoters of Rotary. PDG Jim welcomed and thanked them for their membership. Susan Dabaja feels Eric will be a good addition to Dearborn Rotary because of his giving nature.

Today's classification speaker, Adel Mozip, was introduced by Club Vocational Director, Colleen Nieman. Classification talks are about hearing our stories. Adel said he arrived in US at age 13 from Yemen and did not speak English. His father worked for Ford. He bonded through soccer with other non-English and non-Arabic speaking students at a middle school in SW Detroit. A translation device helped him start to learn English. His family moved to Dearborn and he attended Fordson High School. Adel forced himself to work on his English, even though there was a large Arabic speaking population at Fordson. A teacher encouraged his participation in robotic club and he became hooked on technology. Adel attended UM-Dearborn and appreciates school looked at his good math and science SAT scores and understood ESL reason for his lower English and reading SAT scores. He was involved with robotics at UM-D and studied computer science. Adel did four years of internship at Compuware and was hired there after graduating UM-D. He now works at Urban Science, a computer consulting firm for automotive companies and OEMs. Adel and a friend operate a computer company that designs apps, mobile applications and web pages.

Adel's presentation included a PowerPoint display. He feels internships are great ways for students to learn about careers. Technology offers many opportunities for employment. He is concerned about effects of technology on our lives regarding disconnect from social life, hacking and privacy issues - too much information on line. Adel is involved in several educational, civic and ethnic organizations. Governor Snyder appointed him to one commission. Adel utilizes Four-Way Test in his daily work life, particularly when starting and completing a software design assignment. See Adel if you need any mobile applications or web designs.

President Bob thanked Adel Mozip for his presentation and invited him to sign a book plate for a children's book to be donated to Dearborn Public library. Dearborn Rotary Club meeting ended with us reciting the Four-Way Test in unison.

Respectfully submitted,

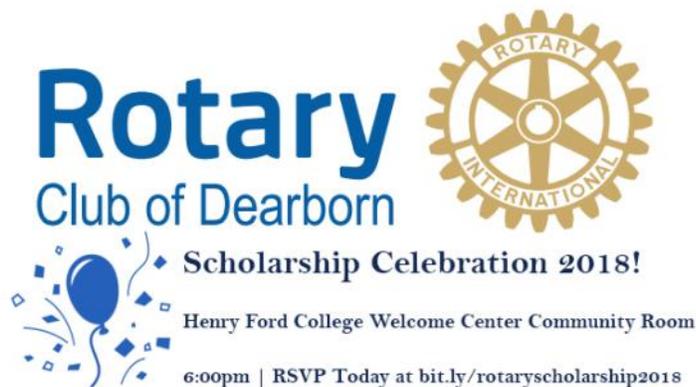

David Anderson
