## The Rotary Foundation Giving—Every Rotarian Every Year

Thank you Rotarians who have already made your gift to support our clubs \$7,000 goal for the 2017 – 2018 Rotary International Projects. These gifts fund our commitment to support the Every Rotarian Every Year contribution of \$100 per member per year. This is sent to Rotary International to help support Rotary work around the world. Many of these projects we support are reported in the Rotarian Magazine and @ Rotary .org.

Dearborn Rotary's Giving status toward our 2017-2018 EREY goal of \$7,000 is of the 58 members we have, 50% (29ea.) have given. Eighteen are sustaining Members (contributed \$100 or more in a year). The YTD giving total is \$3,740 which is 53% of our \$7,000 commitment. The following have met the Every Rotarian Every Year commitment.

CDG Jim Ives, Diane Ives, Mike Maldegen, Al Martin, Jack & Jane Mueller, John Snyder

Due to privacy rules at Rotary International, we no longer know who has contributed to the Foundation. With that said, if you have submitted money to The Rotary Foundation in excess of \$100 and would like to be recognized here, please let Merritt Robertson know of your contribution.

Janice Gilliland and Neil Allen led 50/50 raffle, today. President Bob drew the winning ticket and **Ray Trudeau** was winner of \$11.

**Shannon Peterson, Travis Furlow, Amie Hnatiuk, Chrystal Osinski, Ray Trudeau, Glenn Maleyko**, and a guest student all did "Happy Buck" announcements. We heard student and asst. principal were happy to be here, we're happy to have students here, happy to see Bryant Eagles, happy daughter is going to be a Rotary exchange student in Germany, happy we finally have a warm Spring day, and happy Fordson High School is represented here today.

Today's program was "My Potential Mentoring Program" and developer of program, Dearborn Rotarian Kathy Kalil, was introduced by President Bob. **Kathy Kalil** graciously thanked all those who supported development of program and supported her. She described it as a team effort. She recognized: Bob Gleichauf, Regan Ford, Ali Sayed, Glenn Maleyko, Shannon Peterson, Daniel Patterson, Nadia Moussa, Chrystal Osinski, Linda Mroue, Danene Charles, Jim Thorpe, Bob Ziolkowski, Martha Hnatiuk, Merritt Robertson, Al Martin, David Anderson, and anyone else who lent a hand helping with the program. She said most everyone in Club has helped support the program. Dearborn Rotary Foundation provided a grant for the program.

Kathy saw a need to help provide extra service to new high school students suffering from isolation, rejection, depression, anxiety, bullying, etc. These forces lead to poor academic performance and sometimes suicide. Some of the students are new immigrants from war torn countries. Others have income insecurity. She thought trained 11<sup>th</sup> and 12<sup>th</sup> graders could mentor freshman students, who needed a little extra help. Program included training, record keeping, a pizza party, career program, and mentors who followed through with supporting their mentees. Kathy found Dearborn Schools' staff competent and caring and Supt. Glenn sets a positive tone for everyone. Survey results (4.5 months of data) from mentors and mentees showed positive results from program. Both mentors and mentees indicated they benefited from program.

We heard from our guest students, both mentors and mentees. Mentors helped freshmen overcome language barriers, ate lunch with them, introduced them to friends, road on bus together, played sports with them, did outings (such as ice skating or visiting Ann Arbor), went out to eat, were their personal alarm clock to get them to school on-time, lent them a homecoming dress, were moms away from home, helped bring home a runaway, said hi every day, helped with studying, socialized with their parents, etc. Mentees appreciated this inclusive behavior and friendships developed. Shyness was overcome, self-esteem increased, confidence increased, did not feel alone anymore, and liked having someone to talk to. Also heard leadership skills were developed, helped with empathy, became a better person, and students showed remarkable kindness. Both mentors and mentees had these benefits.

Dearborn Schools already had Link Crew program, which introduced freshmen to high school life with the help of upper classmen. "My Potential Mentoring Program" helped those freshmen, who needed a little more assistance through one-on-one mentoring. Dearborn Schools' staff matched students. Mentor and mentee students hope program continues and feel it was a success. Teachers and students thanked Dr. Kathy Kalil and Dearborn Rotary for their support.

President Bob thanked Kathy Kalil, visiting teachers and students for their presentation and invited them to sign a book plate for a children's book to be donated to Dearborn Public library. Dearborn Rotary Club meeting ended with us reciting the Four-Way Test in unison.

Respectfully submitted,

David Anderson
