EVERY
 ROTARIAN
 EVERY
 YEAR

The Rotary Foundation Giving—Every Rotarian Every Year

Thank you Rotarians who have already made your gift to support our clubs \$7,000 goal for the 2018 – 2019 Rotary International Projects. These gifts fund our commitment to support the Every Rotarian Every Year contribution of \$100 per member per year. This is sent to Rotary International to help support Rotary work around the world. Many of these projects we support are reported in the Rotary Magazine and @ Rotary .org.

The following have met the Every Rotarian Every Year commitment.

David Anderson, Janice Gilliland, Rick Goward, PP Hassen Hammoud, Martha Hnatiuk, PP Lee Hollmann, CDG Jim Ives, Diane Ives, PP Mike Maldegan, Pres. Glenn Maleyko, Al Martin, PP John McDonald, PN Colleen Nieman, Shannon Peterson, PE Eric Rader, PP Merritt Robertson, Emma Jean Woodyard

Due to privacy rules at Rotary International, we no longer know who has contributed to the Foundation. With that said, if you have submitted money to The Rotary Foundation in excess of \$100 and would like to be recognized here, please let Merritt Robertson know of your contribution.

Announcements

- Need X-Ray meeting minute writers. Promise maximum writing is only once every six weeks. Can volunteer for even once a quarter or year. Please contact David Anderson.
 - Maysam Ali-Bazzi is looking for greeters and invocation givers.
- Please let her know if you're willing to serve. Sign-up sheets are being passed at the meetings to be a greeter, invocation giver, or run the 50/50 raffle for a particular date. Please volunteer.
- Youth Month starts Feb, 14th. Let's show support for the youth of the Dearborn Schools.

Service Opportunities

As a way to keep club members informed about service opportunities in Rotary, we have added a section specifically designed to highlight those opportunities for either volunteerism, or Rotary enrichment and education. Review this each week, and take advantage of the opportunities to learn more about this great organization we belong to, or the opportunities to serve.

- Every week we need Greeters, Invokers, and 50/50 raffle workers. Please contact Maysam Ali-Bazzi to volunteer for these duties.

Our Speaker Thursday

What Customers Love will show you how to stand out and reach your audience in a noisy world. By combining new-era marketing tactics with old-school service, bestselling author Patrick Hartory provides a roadmap to navigate a crowded marketplace. Harnessing the power of story, service, and personal relationships, attendees will leave with a proven strategy to cut through the noise and drive people to their message.

About Patrick

For over 20 years, Patrick Hartory (pronounced HAR-tor-ee) has helped business leaders and organizations tell their stories. The founder and former head of a national marketing firm, Patrick has worked with Monster Energy, PBS, Capitol Records, Pro Bull Riding, Live Nation Entertainment, AT&T, and a full roster of top artists and brands.

Today, Patrick is a nationally recognized speaker and marketing influencer. He is the author of numerous articles and three books including "What Customers Love: 10 Ways to turn Your Customers into Fans & Followers".

Meeting Notes

Today's meeting was a Dearborn Rotary evening social event at Henry Ford College 5101 Restaurant and their planetarium from 6PM to 8PM and hosted by STEM Dean Janice Gilliland. There were 15 Rotarians in attendance plus seven Rotarian spouses – Janet Gleichauf, Andreana Goward, Janet Hollmann, Tom Linder, Tom Nieman, Mary Robertson and Sylvia Trudeau. Both Dean Janice and President Glenn said a few words pre-dinner. A canister was passed for opportunity to donate to Children of the Dump Nicaraguan College Scholarship Fund.

We enjoyed fresh garden salads and rolls with butter prior to main course. Beverages included carafes of ice water on our tables of four plus wait staff offered regular or diet Coke plus lemonade. Tables were called up for a gourmet buffet dinner which included Imlay City beef, Lake Erie Walleye with beet greens, seasonal vegetable mix with Michigan asparagus, and mini roasted potatoes with skins. We enjoyed good conversation at dinner. Later we were invited up to a dessert bar which included homemade vanilla ice cream and topping offerings of whipped cream, chopped almonds, pine nuts, chocolate and caramel syrup topping.

HFC Chef Joseph Cosenza was introduced by our host Dean Janice. HFC 5101 Restaurant is open to public and offers lunches plus some evening meals. Operating hours are based on HFC semester schedule because restaurant is staffed by students. Check their website to find out when restaurant is open. Meal prices are reasonable because unpaid students operating restaurant are being trained for their careers.

The restaurant menu is based on locally sourced and seasonal food opportunities per Chef Cosenza. Beef we were served today came from an animal that was mostly grass fed for two years plus some corn feed near end of two years. Flavor of beef from an animal raised like this is much richer than a typical commercial cattle animal that is mostly fed corn and then processed at nine months. Dearborn Rotary applauded Chef Joseph and student staff for preparing and serving our meal.

After dinner we had a short walk to science building which houses Guy Hammond Planetarium. STEM Dean Janice told us Guy Hammond was an AAA Michigan retiree, who made a generous donation after his passing to upgrade the HFC planetarium. There is a recognition plaque on the wall.

Robert Clubb from the Ford Amateur Astronomy Club was introduced by Dean Janice. The group is independent of HFC and its members volunteer to present the weekly planetarium shows. Bob is a Ford Motor company retiree and pursuing his avocation. Check the website for planetarium schedule. They also do private presentations for groups like us.

Guy Hammond Planetarium seats 38 and best seats are in rear of round room. Planetarium projector has 4,500 holes plus lenses for creating the stars. There are also two digital projectors. Robert said we typically see a couple hundred stars with unaided eye. Dark Sky Parks are best places to view stars. Headlands International Dark Sky Park near Mackinaw City is only one located in Michigan. Best Dark Sky Park in United States is in Hawaii. Michigan park is rated a "C" on a letter grade scale, while Hawaii would be an "A". Ford Amateur Astronomy Clubs view stars locally at both Island Lake Recreation Area plus Lake Erie Metro Park. Visit their Club's website for more details.

Presentation we viewed was on springtime sky plus Mars and Saturn. It was created by Henry Ford College and Ford Amateur Astronomy Club and included some recorded narration. Robert said stars have been used since beginning of humankind for travel direction and telling the seasons. One star reappears in springtime and is a sign to plant crops – this is helpful when you do not have calendars. We heard about constellations and stars changing over time. Different world civilizations have their own interpretations of constellations. Big Dipper is described as a dipping cup, plow and funeral cart, depending on civilization. Mars can presently be seen after sunset in the east. Saturn can presently be seen in the west after 1 AM.

The planetarium show was informative and entertaining. The show changes with the seasons. Robert Clubb from the Ford Amateur Astronomy Club was thanked with applause for his presentation at conclusion of the show.

Thank you Janice Gilliland for hosting Dearborn Rotary at Henry Ford College! The meal was great. Planetarium show, produced by HFC and Ford Amateur Astronomy Club, was educational plus entertaining. It was a good evening social event.

Respectfully submitted,

David Anderson

My Potential Mentoring Program Career Day

Today, April 30, we held a "My Potential" mentoring program Career Day at Edsel Ford High school and we also distributed certificates to the mentors and mentees. At Career Day, we had at least 20 professional speakers from Cardiologist to Border Patrol, Engineers to Attorneys, speak to our mentors and mentees. Many Dearborn Rotary Club members generously volunteered their time, Maysam Alie-Bazi, Margaret Blohm, Adil Mozip, Bob Gleichauf, Martha Hnatiuk, Angela Linder, and Janice Gilliland, and Kathy Kalil.

Some Famous Rotarians Through Time

Some names to throw around in Trivia discussions

- Edwin "Buzz" Aldrin, astronaut and second man to walk on the moon, USA
- Neil Armstrong, astronaut and first man to walk on the moon, USA
- George W. Bush, president, USA
- Richard E. Byrd, admiral and arctic explorer, USA
- Jimmy Carter, president, USA
- Sir Winston Churchill, prime minister, England
- William C. Coleman, founder Coleman Co. (camping equipment, e.g., lanterns, stoves, and coolers)
- Calvin Coolidge, president; Nobel Prize laureate in peace, USA
- William H. Davidson, former CEO of Harley-Davidson and son of founder
- Walt Disney, animation filmmaker, USA
- Thomas A. Edison, inventor, USA
- Dwight D. Eisenhower, president, USA
- Pope Francis, when he was Cardinal Jorge Bergoglio
- Gerald R. Ford, president, USA
- William H. Gates, Sr., Chairman of the Bill and Melinda Gates Foundation, USA
- Edgar A. Guest, poet and journalist, USA
- Warren G. Harding, president, USA
- Sir Edmund Hillary, explorer and mountaineer, New Zealand
- Herbert Hoover, president, USA
- John Jakes, historical fiction author, USA
- John F. Kennedy, president, USA
- Chucri Kouatly, president, Syria
- Charles A. Lindbergh, aviator, USA
- Douglas MacArthur, army general, USA
- Guglielmo Marconi, inventor, Nobel Prize laureate in physics, Italy
- Chester W. Nimitz, admiral, USA
- Richard Nixon, president, USA
- James Cash Penney, founder of JC Penney Co., USA
- John J. Pershing, army general, USA
- Ronald Reagan, president, USA
- Franklin D. Roosevelt, president, USA
- Dr. Albert Sabin, scientist who developed oral polio vaccine, USA
- Albert Schweitzer, physician, philosopher, and Nobel Prize laureate in peace
- Alan B. Shephard, Jr., astronaut, USA
- Margaret Thatcher, prime minister, England
- Harry S. Truman, president, USA
- Charles R. Walgreen, Jr., chairman of the Walgreen Drug Co., USA
- Woodrow Wilson, president, USA; Nobel Prize laureate in peace, USA
- Garfield Arthur "Gar" Wood, speedboat racer, inventor, USA
- Orville Wright, aviation pioneer, USA
- Chia-kan "C. K." Yen, president, Republic of China-Taiwan
