EVERY

 ROTARIAN
 EVERY
 YEAR

The Rotary Foundation Giving—Every Rotarian Every Year

Rotarians have an obligation to support one of the finest charitable organizations in the world; The Rotary Foundation. This foundation makes it possible for our club to participate in receiving matching grant funds for our next year's Rotary projects. This is made possible because of your contributions to The Rotary Foundation (Every Rotarian Every Year Giving). All contributions received before June 2021 will be credited to this year's giving. Our goal for the 2020-21 Rotary year is \$7,000, of which we have to date raised \$2,000. Those contributing at least \$100 this year are:

Janice Gilliland, CDG Jim Ives, Kathy Kalil, Al Martin, PP Roger Miller, PP Eric Rader

If interested in contributing to The Rotary Foundation, please fill out [this form](#) and send to Jim Thorpe.

Due to privacy rules at Rotary International, we no longer know who has contributed to the Foundation. With that said, **If you have submitted money to The Rotary Foundation in excess of \$100 and would like to be**

Announcements

- Need X-Ray meeting minute writers. Promise maximum writing is only once every six weeks. Can volunteer for even once a quarter or year. Please contact David Anderson.
- Janice Gilliland is looking for greeters and invocation givers.

Please let her know if you're willing to serve. Sign-up sheets are being passed at the meetings to be a greeter, invocation giver, or run the 50/50 raffle for a particular date. Please volunteer.

Service Opportunities

As a way to keep club members informed about service opportunities in Rotary, we have added a section specifically designed to highlight those opportunities for either volunteerism, or Rotary enrichment and education. Review this each week, and take advantage of the opportunities to learn more about this great organization we belong to, or the opportunities to serve.

- Every week we need Invokers. Please click [here](#) to volunteer for these duties.

Meeting Notes

Club President Colleen Nieman led today's meeting, which was on-line via Zoom. Formal meeting began with the ringing of the cowbell by President Colleen and fifteen were in attendance. Eventually attendance increased to 21. Martha Hnatiuk did the Invocation and she talked about Rotary Foundation being recognized in November and one of their initiatives is the promotion of peace. This week Rotary Peace Project Incubator began and its' goal is to develop projects that serve local community urgent needs that Rotary Clubs can participate in helping. Martha closed with a prayer by Primate Researcher Jane Goodall, which concluded with praying for peace throughout the world.

Pastor Jean gave an update on the STEM Café in Inkster, sponsored by her church. Dearborn Rotary Foundation made a donation to help them remodel an old barbershop into their new STEM Café. There are young people today who are doctors and nurses who went through their STEM program. She appreciates Merritt Robertson who introduced her to Architect Joe Guido, who did the design work for the STEM Café pro-bono. Pastor Jean is pleased her small church of 20 members has been able to do so much for her community, by feeding 100s of families per month, provide scholarships, operate summer programs and STEM Café. She thanked Dearborn Rotary for its' support.

Please sign-up to do a future meeting invocation by e-mailing or calling Janice Gilliland.

Laila Dakroub appreciates all the donations, so far, for the Thanksgiving food drive for Zaman International. Two large boxes have been filled and a third will be started. Drop-off your food or personal hygiene donations at her Re/Max 2000 office on Park Street through November 17, 2020.

Kathy Kalil e-mailed your reporter one of the five additional school systems contacted to participate in the "My Potential" Mentoring program has signed-on to the program. Other four districts are interested in "My Potential" Mentoring and are considering the program.

Today's speaker, Matthew Korban, was introduced by Val Murphy-Goodrich. Matt is a certified health coach, executive life coach, motivational speaker, author and entrepreneur. He has been an international marketing consultant and has a black belt in martial arts plus practices yoga daily. Consuls on how to avoid career from controlling your life and his rethinking of life came from a near death experience.

Matthew thanked us for allowing him to here. His goal is to give a message of motivation and hope. He said he was a businessman before being a coach and when a businessman, work was taking over his life. He had multinational businesses and basically lived out of suitcase and worked 17 to 18 hours days. He neglected his family and friends because of his businesses. A health crisis caused him to reevaluate his life and he liquidated his business interests. He went back to school and became certified as a life coach because he realized he had been coaching others throughout his work life. Matthew preaches to live a balanced life with family, friends and work and not let one thing take over your life. He wants people to live their dreams. Matthew redid his life at age 45 after 25 years in business.

First step of Matthew's program is to discover your purpose or why. Don't be ashamed to ask for help. Once you form plans your dream becomes a goal. Be grateful about something. Say yes to yourself about something.

A reluctant business meeting in Beirut reunited Matthew with a childhood friend, who eventually became his wife. Beirut had bad memories for Matthew because his family fled the country during war. His wife saved his life because she was the one who insisted he see a doctor regarding his health. The health crisis changed his life. Matthew believes God has a plan for you and don't fight it. Contact Matthew at matthewkorban.com if you would like coaching.

Bob Gleichauf, President Colleen, Cindy Cannon all had questions or comments. We heard about the "Tyranny of the Urgent", and looking outside to solve the problem. Challenge is to be referee of you and sometimes a fresh pair of eyes helps. Matthew's story is not uncommon; sometimes our lives change from a dramatic event. Back surgery and being laid-up for two months was pivotal in me rearranging my life. You do not know how strong you are until you have to do it. Our meeting is reaching many, Olga, Cindy's cousin from Ecuador is here, plus Swaminathan from India. Thank you Matthew for your presentation, you made my heart feel happy.

President Colleen said one way we are trying to fuel our reach is through our cookbook fundraiser. Bob Ziolkowski reported we presently have five recipe contributors from our 45 members and 24 recipes submitted. We need 150 to 200 recipes. Bob would prefer a stream of recipes rather than an avalanche because they take time to edit. Your friends and family can submit recipes, too - the more the better, regarding recipes. President Colleen said this fundraiser is our replacement for Santa Snaps. Funds raised help with our outreach in the community. Cookbook will be 5x8 and spiral bound. Angie Linder is working on cover design for the cookbook. Lee Hollmann, Kathy Kalil, Laila Dakroub, Cindy Cannon and Angie Linder had questions or comments. Rick Goward will have them printed and he is raising money to defray cost of printing. Cost of cookbook printing is \$5.00 per book and Rick Goward is thinking we can sell cookbook for \$20.00 per book. First printing will be 250 copies and distribution of cookbooks has not been decided. My cousin will be submitting some Lebanese dish recipes. Rick Goward has volunteered to deliver local purchases of cookbook. Olga will contribute some recipes from Ecuador.

Angie Linder took a group photograph of our Zoom meeting for the X-Ray. President Colleen said next week's speaker will be from the Girl Scouts and she is thankful for Matthew joining us today. Today's meeting closed with members reciting the Four-Way Test in unison and as Olga says in the Chat "Have a wonderful week".

Respectfully submitted,

David Anderson

Fundraising Opportunity

Dear Rotarians,

Announcing the 2020 Dearborn Rotary Recipe Book Fundraiser

You have the once in a lifetime opportunity to have your favorite recipes published for others to enjoy while raising money for Dearborn Rotary Club Scholarships and Community Service.

We all know that the current pandemic has halted many of our traditional fundraising efforts, and it doesn't look like the situation will change any time soon. Recently, you were asked to respond to a questionnaire regarding which alternate fundraising ideas you could support and a Dearborn Rotary Recipe Book was your number one choice.

While there's nothing positive to say about the pandemic, it has kept people home cooking meals for the family. With this new at-home normal, comes the challenge of what to make for dinner that doesn't look like what we had for dinner last night.

The **Dearborn Rotary Recipe Book** will meet a real need in the community and will help our club raise funds for our Scholarships and Community projects.

Our Fundraising Chairperson, Rick Goward has formed a Recipe Book Committee and we need your immediate help to populate the Recipe Book with your favorite and special recipes.

Here's how you can help immortalize your *haute cuisine* and help your Dearborn Rotary Club raise money at the same time.

Send us up to five of your favorite recipes in any category such as: Appetizers, Soups & Salad, Vegetables & Side Dishes, Main Dishes, Breads, Desserts, Cookies & Candy or anything else you have.

To insure consistent presentation, please use the recipe for *Oatmeal Chocolate Chip Cookies* as a template that was included in the original email I sent. Use the Arial 12 font and follow the example as best you can.

Send your recipe(s) to bobziolkowski@yahoo.com by Friday, November 13, 2020. Additionally, please feel free to invite friends and family to participate with their recipes.

If you have any questions, please contact me at 313-414-7851 or by email.

Yours in Rotary

Bob Ziolkowski
