

BE OUR GUEST!

You're welcome to attend any of our weekly Thursday lunch meetings from 11:30 a.m. - 12:45 p.m. at Park Place, 23400 Park Avenue, Dearborn, MI 48124.

It's the best way to meet local Rotarians and find out how Rotary can benefit from your talents. When you're ready to join, you'll be assigned a sponsor who can help you fill out a membership application and familiarize you with the requirements of membership. Your application will then be submitted to our Board of Directors for approval.

PEOPLE OF ACTION

Rotary brings together a global network of volunteer leaders dedicated to tackling the world's most pressing humanitarian challenges. Rotary connects 1.2 million members of more than 35,000 Rotary clubs in more than 200 countries and geographical areas. Our work improves lives at both local and international levels--from those in need in their own communities to working toward a polio-free world.

Through volunteering, our 1.2 million members make lifelong friendships that transcend political and cultural boundaries and foster global understanding and respect.

Founded in 1923, the Rotary Club of Dearborn works locally and globally to provide humanitarian service, encourage high ethical standards, and build peace and goodwill. Rotary Club of Dearborn members participate in a broad range of community, international and vocational services programs--volunteering their talents in a variety of meaningful ways.

GET INVOLVED

Becoming a member enables you to meet your community's leaders and to make an impact both here and around the world. By contributing your time and talents, you will experience the full benefit of being a Rotarian.

While you are encouraged to attend weekly meetings, you can make up attendance through volunteer service for Rotary projects, attend other Rotary clubs in the area and throughout the world, and also online at www.Rotary.org.

Corporate memberships available.

For organizations that have more than one employee who would like to join Dearborn Rotary but are unable to commit to attending a meeting every week, corporate membership is a great option. One corporate membership covers three individuals--one PRIMARY member and two ASSOCIATE members. Any of the three members can attend weekly meetings and activities. The PRIMARY member holds voting rights for all matters of the Club.
